

Claremore Area School Occupational Therapy ASSISTANT Position

New Graduates welcome to apply! *This full time position is for Claremore area schools. PRN hours in the clinic are available over school breaks if desired. Opportunity to have SUMMERS & School Holidays OFF*

We are looking for an enthusiastic and passionate Occupational Therapy Assistant who will provide skillful intervention for children with disorders of fine motor, visual motor and processing as well as sensory processing based on a comprehensive evaluation by the supervising Occupational Therapist. This position will provide services to students on an IEP in local school district(s) around Claremore.

- The position will require the therapist to work as part of a multi-disciplinary team in the school district. Excellent communication skills are a must.
- Responsibilities include student treatment as well as teacher, staff and family education and support as well as documentation via a web-based system.
- Therapists get to use their creativity and expertise to connect with each student in a play-based, one-on-one setting or small group setting.
- At Elevate, we love upcoming and recent graduates as well as experienced therapists. We have mentorship programs available for new graduates or therapists without pediatric experience.
- Our supervising Occupational Therapists are all on staff and are frequently in the school buildings. They are available by phone every day. They will also provide feedback and support of your treatment for the school caseload.
- Excellent benefits including a generous Continuing Education Allowance so that you can pursue education and certifications in areas that interest you.

We would love to have a chance to talk with you about this job opening so send us your resume today! Please send your resume to Julia Ohman, Pediatric Administrator at johman@elevatepedsock.com.
